**ACTIONS ITEMS**

1. **Previous item 6 was moved to Item 1.**  
**Motion: Approve writing a letter to CD 14, Judith Baca, ATT, and the Los Angeles City Attorney, Carmen A. Trutanich, requesting abatement action, in the form of painting out the abandoned "History of Highland Park" mural owned by Ms. Baca located on the ATT building, Avenue 56 and Meridian. (Marquez) Based on the new information presented to the HHPNC by Zenay Loera, representing City Councilman Jose Huizar, that the mural would be restored by Ms. Baca, that it would be covered with an anti-graffiti coating after the restoration, etc., the motion was Tabled with no dissent.**
2. **Discussion: Year-end self assessment and what works well with the new HHPNC and what needs improvement. Mauro Garcia said that the new Council was working well together and this theme was echoed by many of the members of the HHPNC. Janet Dodson quoted Pete Seegar, that many table spoons of sand (many people working together) can, over time, make big changes happen, a theme that was picked up repeatedly. The Council is working well compared to a year ago. Need to control conflict. Encouraged by everyone's enthusiasm. Be persistent. Stay the course. Join multiple community groups to get to know Highland Park better. Need to persist in lobbying CD 1, CD 14, the whole City Council, the Mayor, and the City Dept. and Agencies.**
3. **Motion: to Approve a letter to the L.A. Dept. of Transportation requesting a formal update on the status of the 2008 HHPNC request for bike corrals for York Blvd. and Figueroa Street. (Marquez)**  
**Moved, Marquez 2<sup>nd</sup>. Anson** **MSA Unanimous**
4. **Motion: Require a courtesy 24 hour notice of an expected absence of anyone requiring an interpreter so Council can cancel the interpreter. (Bonsell)**  
**Discussion: 60 plus percent of community is Spanish-speaking with a high percentage using Spanish in their homes. Translation is needed by many to get them to come to the HHPNC meetings. This is not a matter just of the members of the HHPNC making a courtesy call. The HHPNC needs to welcome guests who need translation.**  
**Moved, Bonsell 2<sup>nd</sup>.** **Vote was to Table for further thought.**
5. **Motion: To approve a letter to Animal Services in response to its request for a NC Animal Welfare contact. (Gossett/Reback) Discussion of the timing of the motion—that it had not gone to a standing committee and that an Ad Hoc Committee was named before the HHPNC had acted.**  
**Moved, Moore 2<sup>nd</sup>., Reback** **Vote to Table**

cannot bring the requested \$35 in food money. Franklin H.S. to request Neighborhood Grant from DONE. Principal Nacorda wants to attend SLS March 6 and 7 and fly home at own expense.

5. Motion: to request the new HHPNC approve a decision three years ago of a previous HHPNC to spend \$8,000 for concrete tables and benches for the parks of HP, to be matched dollar for dollar by the Dept. of Recreation and Parks. Then to be sent to Budget and Finance for its approval and then back to the HHPNC for final approval. Dept. of Recreation and Parks must agree, as it did previously, to match the HHPNC expenditure. Rec. and Parks to decide where the 3780 lb. tables and 900 lbs. benches are to be placed: San Pasqual Park, Garvanza Park, HP Rec. and Parks park, or Sycamore Grove Park. Moved, Moore Second, Nacorda

MSA Unanimous

6. Discussion of ideas for improving human relations, etc. Should any leftover money from the Sacramento trip be used for the Franklin Festival, April 9, or go to sending up to 30 Franklin students next Fall to Leadership Training as was started five years ago by the previous Franklin principal, Luis Lopez. Consensus appeared to be for the latter but no vote was taken. Everyone said that they would be considering ideas for the Committee to consider in February. Adjournment until the next meeting. Location to be determined by HHPNC's suggestion of paying \$60 an evening for additional meetings at the Senior Citizen Center, or taking up Principal Nacorda's invitation to hold meetings at Franklin, or Steve Crouch's invitation to use the HP Lutheran Church's facilities where he attends and has access.
